He was carried to Burla Medical, Sambalpur and doctor declared him dead in same day, as responded by his family member to the query raised by members of Fact-finding team led by Manoj Panda, District Convener of Odisha Sookhana Adhikar Abhijan. Having gone through newspaper on 29.8.18., The Team was deputed to visit the spot and gather ground zero information about murder of Parshuram Pradhan.

Sri Parshuram is blessed with one married son and two married daughters was sarapanch of Salebhata Gram Panchayat. He is very popular and honest. Since last one year he has been using RTI to expose corruption in Govt. offices. He had used RTI extensively to expose corruption in Keutaberini Primary Agriculture Cooperative society in terms of distribution of loan to the beneficiaries. Having discovered huge corruption from the information supplied by the Society, he filed complaint to State Vigilance for inquiry and urgent action. The Vigilance Dept. conducted inquiry and arrested Dasarath Dhal, secretary of the society and Ratish Dhal, Assistant Secretary. After they returned from the jail, they have attempted several times to kill Parsuram and he had got escaped.

On 27.8.18., they succeeded in their plan to murder Pasrhuram. On FIR filed by Tuna Pradhan, son of deceased, the Police of Naktideula Police station registered the case and started investigation and arrested two miscreants. Others are absconding.

We demand that

- The State Government should take immediate steps to arrest all those accused who are absconding.
- The Family of Parshuram must be awarded compensation of Rs. 10 lakhs.
- RTI Activists should be provided protection and given due honour in their fight against corruption.
